

Donation for Christmas 2023

This year's donation is not a one-off. For many years, HA-BE has been giving donations instead of presents at Christmas. HA-BE has supported a wide variety of projects in recent years.

This year, a donation of 10,000 Euros will go to the social fund of the Rotary Club Landshut/Trausnitz. In line with the motto "Give the world hope", which Rotary has proclaimed for the year 2023, the donation will benefit one of the many aid projects of the Rotary Club Landshut/Trausnitz.

Since 1997, the year in which the club was founded, the focus of the Landshut-Trausnitz Rotary Club has been on social and humanitarian projects, both locally and internationally.

With this donation, HA-BE would like to make a small contribution to improving the living conditions of people all over the world.

**CREATE HOPE
in the WORLD**
