

HA-BE DEMONSTRATES COMMITMENT - DONATION FOR UKRAINE EMERGENCY AID

In Ukraine, millions of people fear for their lives, facing the ruins of their livelihoods and fleeing their war-torn homeland. The humanitarian situation in Ukraine is a disaster, and the escalating situation is having a significant impact on the Ukrainian people's access to vital health care, drinking water and food. Urgent financial resources are needed to provide basic necessities to people in Ukraine, those fleeing and those in countries of refuge.

For HA-BE it is a great concern and a matter of course to help the Ukrainian people. HA-BE therefore supports "Aktion Deutschland Hilft" with a donation of 25,000 EUR. "Aktion Deutschland Hilft" is an alliance of renowned German aid organizations that help people who have lost everything due to major disasters.
